SUSQUEHANNA CONFERENCE

Susquehanna Pastoral Benevolence Application

As part of the commitment of the Susquehanna Conference to the pastors of our region, we desire to come alongside our pastors in times of unforeseen difficulty to help them in practical and financial ways when we are able. If, as a conference, we are able to provide financial resources to help in times of crisis we do so with no expectation of this gift being re-paid. All requests will be subject to approval of the Susquehanna BOD and request is not guaranteed, and requested amount may not be fully met.
