# Honor the Past: Build the Future

## Capital Campaign Commitment Card

Every generation stands upon the shoulders of those who have gone before, and every generation becomes the shoulders upon which others will stand. We honor the past by addressing the current underfunding of our Pension Fund, established to assist BIC church workers with retirement needs. And we commit to building the future by continuing the work of making disciples through church planting and missional outreach. Over the course of five years, we ask you to prayerfully consider joining with us in raising **\$5,000,000** to *honor the past* and *build the future*.
