## SECTION 1

# MY BACKGROUND

---

### 1 Current Job Description

---

List your specific responsibilities. What types of things do you do on a regular basis? What's the scope of your work?

## 2 Education

---

List your degrees, completed professional development programs, etc.

## 3 Experiences & Exposures

---

List any notable past experiences, both personal and professional.

## 4 Strengths, Expertise, & Giftings

---

What skills do you bring to the table? What are you good at?  
What do others say you're good at? It can be anything!

## SECTION 2

# MY DIRECTION

### 5 Hopes & Dreams

What are you passionate about? What calling might you be sensing? What role(s) do you see yourself filling in the future? It could be anything from staying in your current role to stepping into senior leadership. Perhaps it means forming a role that doesn't yet exist, or retiring, or leaving your profession altogether.

## 6 Skills & Development

---

Thinking about your answer(s) on the previous page, what skills do you need in order to achieve these goals? Think big picture here (e.g. managerial skills, public speaking skills, etc.)

## 7 Training

---

Now let's narrow the focus: What steps do you need to take in order to develop these skills? What kinds of experiences might be beneficial? Any specific education or training?

## NEXT STEPS

Ready to continue the conversation? Share these answers with your supervisor or mentor. After you have reviewed and talked together, use this space to identify specific steps as part of your development plan.
