

2018 Home Ministry Schedule

We are grateful for the many partnership opportunities in the past year to connect with BIC congregations across the United States. Below you will find a copy of the 2018 Home Ministry Schedule for missionaries, along with missionaries' email addresses. Please consider contacting them directly and exploring opportunities for your congregation to build a relationship with one or more of these missionaries. They would be happy to hear about the work your congregation is already doing, as well as to share about their work. We believe these kinds of relationships can be fruitful both for your congregation and for the growth of the Church around the world. You may also contact the BIC U.S. office to schedule speakers to come and share by emailing missions@bicus.org or calling (717) 697-2634 ext. 5416.

Thank you, again, for your continued partnership with BIC U.S. World Missions.
