

Highland Park Community Church (HPCC) a Brethren in Christ Church, is seeking a lead pastor called by God and committed to preaching God's Word thru the Bible.

HPCC seeks to be the kind of church described in the Bible. A church with relevant teaching, heart-felt worship, compassion for those in need, a people of constant prayer and genuine love for Jesus and each other.

We believe in the importance of involvement in growth. We are committed to providing opportunities for each person to grow spiritually. Bible studies, fellowship groups, and worship are all provided to help you grow closer to Jesus!

Highland Park Community Church was founded in 1974 in Dublin, Virginia. We are in a rural community in Pulaski County, located in the heart of the beautiful New River

Valley just 45 miles south of Roanoke Virginia off Interstate 81. Only 9 miles from the campus of Radford University and 20 miles from the Virginia Tech University Campus.

Pulaski County is an area with beautiful, natural scenery with Claytor Lake as one of its major attractions. The Town of Dublin has a population of approximately 2,600 residents while Pulaski County has a population of approximately 34,000 residents. We are full of hardworking, caring people who hold strongly to their conservative values, all of which make it a great place to live and raise a family.

We wish to find a person of integrity who will seek God's vision for a congregation wishing to grow its family base. With weekly attendance representing approximately 45 members at

the Sunday morning service. The largest segments of our church body is elderly, and we are looking for a pastor who can shepherd in younger families and the youth. We also hold Sunday evening and Wednesday evening services with our fellow congregation, LaRoca with Latin American families.

Highland Park Community Church is looking for a lead pastor with a strong knowledge of scripture who believes the Bible to be the authoritative Word of God. One who preaches the truth of the Gospel as it relates to our current daily lives. One who can relate to people of all ages, backgrounds and economic status. We value our BIC heritage and traditions, but not above our love for God and faith in Jesus Christ.

We are seeking a pastor who is humble and energetic, with proven management skills. Our congregation is generous and passionate about outreach in the local community. We value relationships and connections. It's important that our lead pastor can relate to a wide range of personalities and is willing to take time to develop Godly relationships within our church family and our local community and to guide our team as they minister to both.
